Warrenton, VA 20188

Mrs. Wiley,

On behalf of the United States Equestrian Federation, I would like to wholeheartedly congratulate you, your board, your staff and volunteers at Warrenton on earning the designation of a USEF Heritage Competition.

For over one hundred years, Warrenton has showcased the finest Hunter Breeding stock in the country. Along the way, countless world renowned horsemen and women, along with their stellar equine partners have graced the grounds of the Warrenton Horse Show. Many have been inspired by the quality of competition, whether it's to produce the next great Hunter champion or to find the courage to try Fox Hunting because they've been inspired by the grand celebration that is Warrenton Hunt Night.

In addition to being a champion of equestrian sport, Warrenton has served a great philanthropic purpose in Virginia. Among the beneficiaries of this generosity are the Fauquier Health Foundation, the Fauquier SPCA, Bright Stars, the Make A Wish Foundation, and several other local charities to assist with funding community programs.

The Federation is proud to recognize the contributions the Warrenton Horse Show has made to equestrian sport and welcomes you to the select group of USEF Heritage Competitions.

Best wishes,

David J. O'Connor  
President
